Vulture Club: Each week some comic fans circle the store like vultures waiting for the new releases to drop. Timely purchases like this help out a small business like ours immensely. In gratitude we offer a slightly higher discount to those who meet the following conditions:

- Subscribers must pull 25 books per month or more.
- Subscribers pay for their subscription books in person or via invoice by Saturday of each week.
- Books not purchased by Saturday will be sold at the normal 10% discount.

Trade Paperback Collectors Club

Trade Collectors get some love at Dark Tower. When you buy 4 trades priced \$12.99 or higher during a 24-month period, your 5th trade (equal or lesser value) is 40% off. Additionally, your subscriber discount carries over to your regular priced trade purchases.

Additional benefits:

- Item holds/layaway
- Early notification of sales and special events.
